

**ALCOHOL/DRUG EVALUATIONS BY LICENSED PROVIDERS**

You have been arrested for the offense of Driving Under the Influence of Alcohol or Drugs. Before the court can dispose of your case after a plea of guilty or a finding of guilty, or before the court can consider a petition for judicial driving permit, the law requires you to obtain an Alcohol/Drug Evaluation by a licensed provider. Therefore, you may wish to obtain an evaluation immediately. The following providers are licensed to provide this evaluation in the Fourteenth Judicial Circuit area.

Usted ha sido detenido por la ofensa de Manejar Bajo la Influencia del Alcohol o Drogas. Si desea declararse culpable o después de que lo encuentran culpable y antes de que la corte pueda disponer de su caso o considerar una petición pidiendo que le otorguen un Permiso Judicial para Manejar, la ley requiere que usted obtenga una Evaluación de Alcohol/Drogas por medio de un proveedor aprobado por el Estado de Illinois. Es recomendable que usted obtenga una evaluación inmediatamente. Proveedores aprobados por el Estado de Illinois para administrar evaluaciones en el área del Decimocuarto Circuito Judicial son los siguientes:
